

Something for everyone

We run a comprehensive coaching programme to suit everyone's needs whether you are trying tennis for the first time or play to a high competitive level. Please contact us if you have any questions.

FREE Trial

We are confident that once you or your children try our sessions, you will want to continue so we invite you to try a session of your choice completely FREE.

This also enables us to ensure that we find the best group for you or your child so that everyone plays within the best ability, age and stage session.

To book a trial session please email or call us.

To book onto one or more of the listed sessions, please speak to one of our team at the centre or call us to reserve your space. We accept cash, debit and credit cards and Child Care Voucher payments.

We also run a comparable coaching programme at our centre at Ash Manor so please ask for details.
